"Redefining Pharma Education"

AICTE Sponsored National Conference on- "Good Pharmacy Educational Practices"

21st March – 24th March 2022

Teaching is more than imparting knowledge; it is inspiring generations. Learning is more than absorbing facts it is acquiring understanding, keeping this in mind we at Indira college of Pharmacy, coined the topic of the AICTE sponsored online National Conference on "Good Pharmacy Educational Practices" organized by IQAC of SCES's Indira College of Pharmacy, Pune from 21st March to 24th March 2022.

The Program was successfully unveiled by the kind and auspicious presence of Dr. Pramod Yeole Sir, Vice Chancellor, Dr. Babasaheb Ambedkar Marathwada University, Aurangabad, Vice President & Acting President, Pharmacy Council of India. We were delighted to have Dr. Rajendra Kakde, Advisor AICTE, New Delhi, Professor & Co-Ordinator for faculty of Pharmaceutical Sciences, Rashtrasant Tukadoji Maharaj Nagpur University, Nagpur as guest of Honour for Function. On the inaugural function we had a Discussion about the contribution of teacher in pharmacy education and how the goal of quality education can be reached.

The first session began with a discussion on the topic - Role of academicians in creating responsible Pharmacist? Delivered by Dr. Atmaram Pawar Principal, BVDU's Poona College of Pharmacy, Pune. He focused on objective of education of current era & how teachers should make students to think & not lead with definitions & principle of the topic. He also emphasized on creating case studies during practical's so that students are forced to think for the reasons with particular preferences. It was the culmination of a learning session.

Dr. Abhijeet Gothoskar Pharma Consultant, Pune was our next eminent speaker for Session II, who shared his insight on topic Making students Industry-ready. It was really a Brain storming session as his talk included about teaching practices post pandemic. He also covered a lot of ground, explaining 12 principles of modern learning, centred on the current state of the Indian pharmaceutical industry, its market size, sector composition & key trends. He advised teachers on what industries want from graduates and how to bridge the gap. He emphasised the significance of blooms taxonomy & cone of experience and how to make students industry oriented.
