Date: February 22, 2022.

Subject: Experience Certificate

This is to certify industrial training done as part of curriculum carried out by Ms. Sheetal Mahadkar under my supervision and guidance.

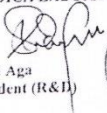

The training certificate is submitted towards the partial fulfilment of M. Pharm for the academic year 2021-2022.

This work has not been submitted anywhere else for any other degree.

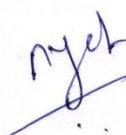

The work was carried during August 23, 2021 to February 22, 2022 training at Umedica Laboratories R & D Centre, TTC Industrial Area, MIDC, Turbhe, Navi Mumbai - 400705 as intern in Formulation Development Department and Analytical Development Departments.

Yours faithfully,

For UMEDICA LABORATORIES PVT. LTD.

Letter of Experience

03 June 2022

To,
Mr. Yogesh Kisan Pawar,

This is to certify that, Mr. Yogesh Kisan Pawar, M. pharm student of Indira College of Pharmacy, Pune worked as a Project Trainee at Mprex Healthcare Pvt. Ltd. between the Period 15/10/2021 to 30/05/2022.

Mr. Yogesh Kisan Pawar successfully Completed his M pharm project work titled "**Design and Development of Tools and software for Privacy and security issues during Data Management**" during this period and has submitted the project report for our records.

We wish him all the best for his future endeavors.

11 March 2022

TO WHOMSOEVER IT MAY CONCERN

This is to certify that, **Mr. Lokesh Gopal Patil**, M. Pharma (Pharmaceutics) a student of Indira College of Pharmacy, Pune has undergone training from 13 September 2021 to 11 March 2022 in the Formulations Department based at our R&D Centre, Mumbai.

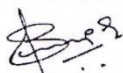

His project title was 'Formulation development and evaluation of Divalproex extended release tablets'

During the above training period he has shown keen interest in performing all the work assigned and has acquired adequate practical knowledge.

We certify that **Mr. Lokesh Gopal Patil** was well attentive during his project work and his attendance was above 90%.

We wish him all the very best in his future endeavors.

TO WHOM SO EVER IT MAY CONCERN

This letter is to certify that Mr. Sachin Dattatray Patil, a 2nd Year M.Pharm student of SCES's Indira College of Pharmacy Pune, has successfully completed 6 months project training program with V-Ensure Pharma Technologies Private Limited. His training tenure at R&D Center, Navi Mumbai was from 04th October' 2021 to 31st March' 2022

He received training under the Guidance of Mr. Narayan Raktade - Head of Analytical Research & Development department.

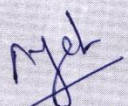

During the span, we found his enthusiastic and eager to learn. He was actively and diligently involved in the task assigned to him. Feedback and evaluation proved that he learned keenly. Moreover, his interpersonal and communication skills are good, which was evident from his project report.

We wish him a bright future.

(57) Abstract
 Abstract Present invention relates to a novel thermoreversible composition for treating desitin hypersensitivity comprising at least one desensitizing agent selected from the group consisting of potassium nitrate, sodium fluoride, potassium exalate, strontium fluoride, calcium carbonate, calcium phosphate and zinc chloride. The composition comprises of at least one grade of thermoreversible polymer selected from the group consisting of poloxamer 188, poloxamer 407 poloxamines 904, poloxamines 1107 and poloxamines 1307. Preferably poloxamer 407 solubilized in at least one vehicle selected from the group consisting of water, ethanol, and propylene glycol. At least one preservative selected from the group consisting of methyl paraben, propyl paraben, sodium benzoate and lactic acid at a percentage ranging from 0.01 to 0.5% is present in the composition. The composition is characterized in that ratio of said drug to thermoreversible polymer ranges between 1:3 and 1:15; ratio of said desensitizing agent to vehicle ranges from 1: 15 to 1: 50 and ratio of said preservative to vehicle ranges between 1:200 and 1: 10,000. The viscosity of said thermoreversible formulation ranges from 300 to 400 cps in the temperature range of 7-8 °C.

Dear Candidate,

The O/o CGPDTM extends its congratulations for qualifying the Patent Agent Examination 2022.

You will soon be registering as a Patent Agent; it is pertinent to remind you that when you are representing the IP creators before the Patent Office you will also be contributing towards the socio-economic development to fulfill the vision of 'Atmanirbhar Bharat Abhiyan'.

While highlighting the invention's patentability for getting IP creators the well-deserved protection for their scientific research, you will be nurturing the Creative & Innovative Bharat. Your role as an IP warrior is to ensure the best utilization of IP asset for the country.

Continuing the celebration of Azadi Ka Amrit Mahotsav, let us all excel the development of a strong IP ecosystem for India wherein IP protection sees the light of wide social applications and resolution to grassroots' challenges.

The qualified Patent Agents in PEA-2022 will soon be given the opportunity to undergo training hosted by the RGNIIIPM, Nagpur, a flagship centre of excellence in IP-related awareness generation. The details of the program shall be shared with you shortly.

In the meantime, the follow up process for you to register yourself as Patent Agent under the provisions of the Patents Act, 1970 (as amended) is available at: <https://ipindiaonline.gov.in/eAgentfiling/goForLogin/doLogin>

For further queries you may write to patentagentexam.ipo@nic.in.

Best wishes,
Prof. Dr. Unnat P. Pandit
Controller General of Patents, Designs & Trade Marks
