BEST PRACTICE – 1

1. Title of the Practice: - Strong Corporate Relations: -

❖ Objectives of the Practice: -

- ✓ The institute strongly believes in fostering corporate partnerships, and college has an Industry-Institute Partnership Cell (IIPC) that enables the Institute to initiate and maintain close ties with the Pharma and allied industry.
- ✓ Students receive technical learning and exposure to the industrial environment due to the institute's industrial collaborations with several companies.

❖ The Context: -

The mission of the institute is to train and develop students into Professional Pharmacist so as to fulfil the Industrial and Community needs. Keeping this mission in perspective, institute is committed to build close ties with the pharma and allied industry in the form of visits, hands on trainings of sophisticated instruments, guest lectures & seminars involving industry personnel, industrial internships and collaborative projects. Such interactions can help students understand the industrial milieu and functioning as well as the skills that they need to acquire to be industry ready. The institute also runs a Pharm D program. Since the program is clinically oriented, tie-up with hospitals are necessary to train students in a clinical set up. Institute has signed MOU with Aditya Birla Memorial hospital, Pune for conducting research and internship activities as a part of Pharm D curriculum. Apart from that, Institute has signed MOU with Jehangir hospital's Jehangir Learning Centre to provide add on

certificate courses to the students in the field of clinical research. The sessions of clinicians and trainers are regularly hosted under this MOU to enlighten the students on clinical and healthcare research. In order to understand the healthcare needs of the community, several sessions of clinicians are hosted in the institute to make the students aware of various cancers, their etiology, and their therapeutics, rational use of antibiotics, biomedical and healthcare research etc.

❖ Evidence of Success:

- ✓ AICTE- CII platinum ranking in 2018.
- ✓ "Best industry linked Institute" award from World Education Congress 2020.
- ✓ Receipt of sophisticated instruments and equipment in the form of donations.
- ✓ Industrial and hospital internship trainings to the undergraduate and post graduate students.
- ✓ Placement of the students in various sectors of Pharma and allied industry.
- ✓ Collaborative research projects and research papers.
- ✓ Industry sponsored research projects and consultancy services.
- ✓ Guest lectures and career guidance by accomplished resource persons from Pharma industry, hospitals, and clinical research organizations.
- ✓ Successful organization of webinar series in collaboration with industry.
- ✓ Industrial visits to undergraduate, post graduate students, and faculty.
