Feedback Analysis and Action Taken Report

Shree Chanakya Education Society's
Indira College of Pharmacy, Pune-411033
"Redefining Pharma Education"

FEEDBACK ANALYSIS AND ACTION TAKEN REPORT 2021-22

myeb
PRINCIPAL
Indira College of Pharmacy
Tathawade, Pune - 411 033

Constructive feedback from stakeholders is obtained through meticulously designed feedback forms. In each academic year, faculty, student, alumnus, and employer feedback is collected, analyzed, and reviewed by the College Development Committee and IQAC. The reports are then communicated to the Principal. The Principal further suggests corrective measures and directs faculty members to take remedial actions. The other problems which require management decisions are put up before the Chairman and are addressed accordingly.

Constructive faculty feedback is collected to optimize their overall performance and contribution towards the institute's growth. The faculty feedback related to curriculum enrichment, curriculum delivery, academic ambiance, management policies, etc., helps to improve the institute and create a better work culture. The Principal addresses the suggestions by faculty suitably to take corrective action.

Students can give general feedback regarding the facilities, including mess, canteen, general hygiene, cleanliness and utilization of infrastructure, etc. verbally or in written form (suggestion box). They can also directly approach the teachers or even the Principal if necessary. The actions to problems are addressed by the authority immediately. The faculty are also informed about their feedback, and if required, they are trained for improvisations in academics.

Feedback is also gathered from alumni pursuing higher studies or working with industries regarding the institution's contribution to their professional development. College also invites alumni to share their experiences to guide final-year students about emerging aspects and opportunities in the pharma profession.

The employer's feedback is considered to make students industry ready, improve their employability and guide them for future career paths. Various companies are being invited for campus placements, and even experts from the industry deliver lectures on recent trends, leadership skills, entrepreneurship, etc., for the overall development of students.

ACTION TAKEN REPORT ON STAKEHOLDER'S FEEDBACK 2021-22

Sr. No.	Focal point	Suggestions	Action taken
1.	Curriculum enrichment/ curriculum delivery to increase sustainability	<ul style="list-style-type: none"> ▪ Regular interactions between industrial professionals and students ▪ Guest lectures by industry experts ▪ Industrial visits ▪ Orientation to cGMP to understand current industry practices 	<ul style="list-style-type: none"> ▪ Industry experts are invited to deliver sessions to get acquainted with recent advances, new industry approaches, and emerging career avenues. ▪ More number of industrial visits, both virtual tours as well as on-sight visits, in the upcoming year planned. ▪ Certificate programs on Analytics with Excel, and the like proposed.
		<ul style="list-style-type: none"> ▪ PCI should reframe the syllabus as early as possible so that workload will be distributed equally to the faculty in odd and even semesters. ▪ Annual exam pattern will be suitable for B. Pharm students for curriculum enrichment. 	<ul style="list-style-type: none"> ▪ ICP is affiliated with Savitribai Phule Pune University (SPPU) and follows the PCI-prescribed curriculum and syllabus. So the appeal was made to PCI and BOS chairman to reframe the syllabus and course structure.
		<ul style="list-style-type: none"> ▪ Certification courses and faculty training. 	<ul style="list-style-type: none"> ▪ Certificate programs on Analytics with Excel, conference on Innovations in Pharma Sectors etc. are proposed.
2	Expected Change/ improvement/ upgradation in ICP	<ul style="list-style-type: none"> ▪ PG courses in all branches to facilitate research activities ▪ Addition of pharma MBA program 	<ul style="list-style-type: none"> ▪ M. Pharm. in Pharmacognosy and Pharmacology branch in the upcoming academic year is proposed. ▪ DPR for Pharma MBA is being prepared
		<ul style="list-style-type: none"> ▪ More industry collaboration and multidisciplinary projects ▪ Funded projects and grants 	<ul style="list-style-type: none"> ▪ Industry approached to get research projects. Two industry collaborative research projects have been approved, and work has been initiated. ▪ Faculty are motivated to upgrade themselves to fetch research grants and funding from various funding agencies. Guest lectures from eminent academicians proposed to induct faculty.
