### Subject – Food Donation Camp

Remembering the great teacher, Dr. Sarvapalli Radhakrishnan, on the 5th of September and also the 30th foundation day of the INDIRA GROUP OF INSTITUTES, we icpians visited the Madhurbhav, Pune. MadhurBhav' is an initiative started half a decade ago by the AJ Foundation that is now availing of help to celebrate the joy of ageing day by day. The sweet emotion attached to this creation is the real reason for its growth and genuine service over the five-year span. The AJ Foundation has started keeping in mind the need of the hour where children may not be able to look after their elderly at home due to several reasons like a busy life schedule, geographically staying apart, frequent travel, and special medical and nursing needs. Considering this generous and humble cause, staff and students from ICP contributed some grains, including rice of 220 kg, sugar of 47 kg, Dal of 47 kg, wheat of 99 kg, and jaggery of 121 kg, as a donation for those friends. Visiting Madhurbhav NGO was an eye-opener for students and brought a kind of social awareness, joy, and happiness into the lives of people staying in Madhurbhav.

We are grateful to Dr. Tarita Shankar ma'am for guided us for activity and our principal ma'am to initiate such activity.
