INDIRA COLLEGE OF PHARMACY, PUNE
(NAAC B++ Accredited, affiliated to Savitribai Phule Pune University,
Approved by Pharmacy Council of India,
Directorate of Technical Education, and Government of Maharashtra)

Institutional Distinctiveness

- ✓ Institution is committed to provide high-quality and excellent orientation, research, training, holistic approach and outreach, among other activities.
- ✓ Create an environment that values and rewards creativity and innovation.
- ✓ The institute's distinctiveness also lies in the self-motivation and zeal to initiate new programs. ICP was the first institute under the aegis of SPPU to start Pharm D program.
- ✓ **Faculty** is the backbone of any educational institute. A motivated, skilled, **well-groomed, well-trained, and techno-savvy faculty** which can instill all their acquired knowledge and skill sets into the students.
- ✓ **Students** can look at the well-oriented, dedicated, and elite blend of senior and junior faculty members as their role models and imbibe the knowledge and skills to grow professionally.
- ✓ Encouraging faculty and students to identify existing pharmaceutical paradigms and seek novel solutions through **research and innovation**.
- ✓ Facilitating interdisciplinary collaboration and knowledge exchange and to break down departmental barriers to encourage collaboration

fostering a **holistic approach** to research that incorporates diverse perspectives.

- ✓ Providing resources and support for experimentation and prototyping: To equip researchers with state-of-the-art laboratories and mentorship to conduct experiments and prototype innovative pharmaceutical solutions, facilitating hands-on learning and discovery.
- ✓ Facilitating provision of platforms for showcasing and celebrating innovative ideas: Providing avenues for researchers to present and celebrate their research, promoting a culture that values and recognizes innovation within the academic community.
- ✓ Collaborations with pharmaceutical industry partners and other academic institutions to enhance research capabilities, share knowledge, and leverage combined resources for more impactful pharmaceutical advancements.
- ✓ Support continuous learning and professional development by offering and encouraging participation in professional development programs to ensure that faculty and students stay updated on the latest advancements and methodologies in pharmaceutical research and development.
- ✓ Established systems and policies which incentivize, celebrate and reward innovative contributions, fostering a culture where creativity in pharmaceutical research is not only encouraged but also acknowledged and valued.
- ✓ Contribute to societal progress and economic growth through research and innovative solutions thus aligning with the institution's vision with broader societal and economic objectives, emphasizing the importance of translating academic discoveries into practical solutions that benefit both healthcare and the society.

- ✓ ICP offers lien policy for the faculty to pursue PhD or other co-curricular courses.
- ✓ Distinctive ICP research policy to promote research and build research culture among the faculty members, a wherein monetary incentives are provided to the teacher for publishing high impact research papers and book chapters.
- ✓ Industrial projects and consultancy undertaken by the faculty fetch them a 60% share of the total funds received as per the research policy.
- ✓ Medical insurance scheme is provided to all the staff. The institute also takes care of the health of the faculty and their family. Female staff after resuming duty post maternity leave are given permission to go home for nursing their babies during work hours. Regular health check-ups are arranged for the faculty.
- ✓ ICP has a remarkable placement history, having placed 90 students in the 2022–2023 academic year.
- ✓ The new National Education Policy has given a great amount of thrust on inculcating holistic training to the students through SOUL Program. This includes conduction of Yoga Session & Geeta Adhyayan amongst the students for their mental & physical well-being.
- ✓ Commemorating various National and International days every year and events viz: celebrating international Yoga Day.
- ✓ At ICP we incorporate sustainability principles into institutional practices and operations, such as energy efficiency measures, waste reduction strategies, environmentally responsible procurement, and sustainable campus design and construction.
