Testimonials of students of BATCH-I 15/2/2021

**Vaibhav N. Ghegade, Technical Trainee, OSD-Process Development, Dr. Reddy's Laboratories, Hyderabad :**

The A2I Formulation Development Course was one of the most interesting & meaningful courses I have attended. The course was taught by a team of very capable mentors with their wide ranging industrial & academic experiences. There were many a valuable lesson to be learnt from their experiences, so that one need not re-invent the wheel, but leapfrog with learnings gained from them, while at the same time imbibing best practices from both the academic & industrial work cultures.

Apart from theoretical knowledge, the course also provided experiences & practical insights into various topics in formulation development. Learning from such experiences of the course instructors, while imbibing various mentors models of how to approach & tackle formulation development problems was one of the highlights of the course for me.

**Subject :- GPAT and NIPER Entrance Exam MOU between PHARMAELITE and ICP**

Respected Madam,

This is to thank you and the management of SCES's Indira College of Pharmacy (ICP) for offering the college premises to jointly conduct offline coaching. The coaching for GPAT and NIPER preparation would involve online teaching on weekdays and 4 hours of offline teaching on every Sunday. One classroom with chalk and board facility would suffice for the offline classes.

Students of ICP as well as from nearby institutes will surely be benefitted due to this offline activity.

Considering the ongoing MOU between PHARMAELITE and ICP, PHARMAELITE would be delighted to offer 10% discount to ICP students on the course fees.

Once again, on behalf of PHARMAELITE team, I would like to express my heartfelt thanks to you for the kind cooperation.

Yours Sincerely,

Mr. Dharmesh Mehta.
