- **Use of Energy Efficient Equipments:**

Due to climate change and CO2 emissions, it is necessary to use energy-efficient technologies.

It helps to reduce energy consumption without affecting the output.

It also helps reduce CO2 emissions reductions.

7.1.2.2 Management of the various types of degradable and non-degradable waste

1. Solid Waste Management

- Waste like plastic, metals, glass, cardboard, newspaper and stationery are systematically collected, segregated and sold to authorize vendors for its recycling.
- College has taken good initiative of waste disposal poster displays for awareness.
- College have First Aid kits at various labs and locations.
- College adopts almost paperless concept by digitization of office procedures through electronic means via email and Google classroom.
- Dustbins have been installed throughout campus for waste segregation.

2. Liquid waste management:

- A proper sewage system is present in all the washrooms of the college, appropriate care is taken to see that there is no water stagnation.
- Wastewater generated from the sanitary facilities is disposed of into septic tanks located at different places in the campus.
- Their effluents wastewater is used for gardening, watering trees etc.

- Sewage Treatment Plant (STP) water used for gardening

3. E-waste Management

- E-waste or electronic waste is created when an electronic product is discarded after the end of its useful life.
- E-waste mainly includes obsolete electronic devices, such as computer systems, servers, monitors, compact discs (CDs), printers, scanners, copiers, calculators, fax machines, battery cells etc.
- E-waste is disposed off through vendors.

INSTITUTIONAL INITIATIVES:

- A Green Campus is a place where sustainable and eco-friendly practices are combined with education to promote sustainable and eco-friendly practices on campus.
- The green campus concept allows an institution to lead the way in redefining its environmental culture and forging new paradigms by developing sustainable solutions to the world's environmental, social, and economic requirements.
- Greening the campus include eliminating unnecessary inefficiencies and relying on conventional energy sources for everyday power demands, as well as proper trash disposal, the acquisition of environmentally friendly goods, and an effective recycling program.
- Landscaping of the college is worth seeing and reflects aesthetic sense.
- The institution has a medical garden that keeps the surrounding area pollution-free and provides oxygen, maintaining health of the public.
- The institute has a canopy of trees and plants to make the environment pollution free to safeguard the health of all the inmates.
- The lawns and the trees provide shade and a beautiful ambiance.
- The institution believes in paperless communication and uses electronic means of communication as part of its green campus program.
- Mail or WhatsApp are typically used for communication, which reduces the need for paper and promotes environmental preservation.
- To promote environmental sustainability, college faculty members practice carpooling.
- The institutes believe in environmental sustainability and promote it by displaying it on college notice boards so that the values at well imbibed by the students.

IGI POLICY FOR DIFFERENTLY ABLED PERSONS

Shree Chanakya Education Society's
**INDIRA COLLEGE OF PHARMACY,
PUNE**

INTRODUCTION:

SCES's Indira College of Pharmacy follows the policy framed IGI.

SCOPE:

The Constitution of India ensures equality, freedom, justice, and dignity of all individuals and mandates an inclusive society for all including persons with disabilities (PwD).

The Government of India signed UNCRPD and enacted Rights of Persons with Disability Act 2016 that recognizes that persons with disability are entitled to equal opportunities & rights to participate in the political, social, and economic and self- development activities in all walks of life. In keeping with the developments at the National and International level, the Government of Maharashtra has taken several initiatives to align with the national agenda. This includes formation of Action Plan 2001, School code for Special schools & workshops, Guidelines for recognition of institutions serving PwDs etc.

This policy initiative of IGI is logical progression of legal framework and guidelines for development of institutional infrastructure-

OBJECTIVE:

This policy is developed with a view to facilitate access to education to the differently abled students with benchmark disability, IGI is committed to comply with the provision of Rights of Persons with Disability Act 2016. This policy ensures the interests of differently abled students of Indira Group of Institutes.

ADMISSIONS TO THE DIFFERENTLY ABLED STUDENTS IN GROUP COLLEGES:

- Equal educational opportunities are provided to the Differently abled students at par with the regular students.
- The institution adheres the norms and instructions declared by UGC/ PCI/AICTE /University from time to time for differently abled students.
- Appropriate number of seats as recommended by 'Equal Opportunities Protection of Rights & Full Participation Act,1995 for Differently abled students are allocated.

FACILITIES PROVIDED TO DIFFERENTLY ABLED STUDENTS

- The Institutes of IGI ensures differently abled friendly facilities in their existing infrastructure and make sure to develop future infrastructure as per norms.
- Ramps are constructed for providing easy access to the physically Differently abled students.
- Differently abled friendly washrooms are in place of all the blocks to ensure comfortable access.
- Facilities for easy commutation like elevators, wheel chair, walking sticks, walkers are made available in every campus.
- Digital library is made available in every campus with audio visual outputs.
- Language Laboratory is made available in every campus with audio visual outputs.
- Special seating arrangements in exams.
- Provision for barrier free accessibility for differently abled persons.
- We ensure maintenance of special assistive devices procured by the higher education institute under the HEPSN scheme and encourage differently abled persons to use them for enriching their learning experiences.

CAREER GUIDANCE & COUNSELLING:

- Career guidance and counseling cell shall give priority to the Differently abled students over the regular students for conducting counseling sessions.
- Use of scribes for the examination: A scribe can be appointed to the candidate who is blind or differently abled from writing the examination with his/her own hand.
- A candidate seeking the assistance of a scribe shall submit an application to the institute director, with the following documents.
- Medical certificate from medical officer of a government district or higher-grade hospital or any other equivalent doctor, showing the inability of the candidate to write the examination with his/her own hand, which shall be attested by the HOD.
- No relation certificate - an undertaking by the student and the scribe showing that there is no relation between them.
- Any other requirement as mentioned in PCI/SPPU/ UGC guidelines.
